New Life Christian is a family of believers who love the Lord, one another, and do our best to live and reveal the love of Christ to the world around us. We are devoted to the Word of God and claim its joy, power and authority. We know that through Jesus Christ we have forgiveness, fellowship, friendship and peace. We know that we are far from perfect, but we also know that God is at work in our lives and forgives our failures. We know that there are few things that bring greater joy in life than sharing God's Good News of Salvation and making new friends as we come to know Christ better. We know that "church" is not about the things we say or ceremonies or traditions. Instead, we understand that church is all about growing, loving, learning and caring. We know that worship is not supposed to be stuffy and boring but is at its best when it is vital, relevant and even fun. We know that we would love to meet you and share the joy that we have found at New Life Christian Church.
